

Welcome to a Tailwaggers Event

If you have cold like symptoms, feel unwell please do not attend class. If you have visible cold like symptoms you will be requested to leave the facility.

Please do read through this list and the Covid 19 policy you must attend with a mask and be prepared to wear it when working indoors. While we have tried to keep things simple, we also have tried to be explicit. This has resulted in a longer than usual set of Joining Instructions. If you have any concerns or questions please ask before arrival - we all want an end to the restrictions.

Please forward you completed screen results on the day of your appointment to:
tailwaggers.K9Sport@Yahoo.com

Link yo screening: <https://covid-19.ontario.ca/screening/customer/>

We are located at **573 Lubitz Rd, Pembroke, K8A 6W6 - Please check your event details for your event location.**

Below is a check list of things to bring and what to do given the Covid 19 precautions;

- Please do not arrive more than 5mins before class, it is not a long walk to the building, this will allow time for the previous class to leave.
- When you arrive, the dog gym is the building on the left of the drive way with the large white door. Please wait in your vehicle until you see the door of the building being left open this will indicate that the cleaning process has completed and you can enter. Please feel free to park in front of the garage doors.
- You **MUST** wear a mask when working in doors and where social distancing could be compromised.
- If you have not as yet sent a copy of your dogs vaccinations certificate, please do so before you attend this helps reduce the spread of Covid 19 and ensures you have the correct vaccinations and avoids disappointment - please note, as we have several other dogs using the facility, we need to ensure that your pup is properly protected before entering, you will not be able to take part with out the certificates (please ensure Bordetella is also up to date).
- Please make sure you are familiar with the Covid 19 policy (includes cancellation) and our Good Conduct sheets.
- Due to Covid 19 restrictions there are **no washrooms** available, please 'go' before you come to class.

cell: 6134015707 or find us on Facebook

- Now that the snow is down - **Please bring a change of footwear - suitable indoor shoes.**
- Please bring a **variety of high value treats** that you have tried your puppy on first at home and a toy (tug toy will work well).
- Please **exercise your pup** before you come. Dogs often need a to mark (pee) when they arrive at a new place, please use the trees and the area outside the Dog Gym for this and not the buildings or fencing. The fenced in area, this is a no pee zone.
- Please bring your pup on a **fixed length lead** (no retractable or stretch leads please) and flat buckle collar, if your pup wears a harness please feel free to use it to come in.
- Please ensure your dog is **leashed** before getting out of the vehicle.
- While we always have a stock of poo bags, please bring some with you, this will help to minimize any cross contamination with touching things. We will advise where to place it when you are here.
